Adopted by the Board of Directors
of the Nordic Development Fund 4 September 2012 with entry into force as of

NDF Policy on Anticorruption and Integrity

1. Purpose and General Principles

- 1.1 This document (the “Policy”) sets forth the general principles, requirements and sanctions of the Nordic Development Fund (“NDF” or the “Fund”) in relation to deterring and combatting fraud and corruption that may occur in connection with NDF’s operations.

NDF is committed to ensuring that its funds are used solely for the purposes intended and that its operations are free from fraud and corruption. NDF expects that all persons and entities involved in activities financed or executed by NDF observe the highest standards of ethics and take all appropriate measures to prevent and combat fraud and corruption.

NDF takes all allegations of fraud and corruption seriously and will take appropriate measures to investigate and follow up on any such allegations. NDF’s Anticorruption Committee and Sanctions Committee handle allegations of fraud and corruption in accordance with the NDF Anticorruption Guidelines¹.

In its work to prevent and deter fraud and corruption, NDF will cooperate with lead agencies, local authorities and other relevant third parties. NDF adheres to the principles and definitions commonly applied by international financial institutions and is committed to participating in the joint efforts of international financial institutions to combat fraud and corruption.
