SPECIFIC PROCUREMENT NOTICE REQUEST FOR EXPRESSIONS OF INTEREST (CONSULTING SERVICES)

Country: Zambia

Project Name: Development of Climate Resilient Infrastructure Standards and Codes

Financing Agreement reference: NDF C-52

The Zambian Government has received a grant from the Nordic Development Fund (NDF) toward the cost of the development of climate resilient infrastructure standards and codes for the transport sector in Zambia and it intends to apply part of the proceeds of this grant to cover payments under the contract for the *Consulting Services for the Development of Climate Resilient Infrastructure Standards and Codes for the Transport Sector in Zambia..*

The services included under this project are to undertake Development of Climate Resilient Infrastructure Standards and Codes for the Transport Sector in Zambia. This project is aimed at systematically integrating climate change adaptation needs throughout the road transport sub-sector design and management process at policy level in Zambia. The project also aims at developing climate-resilient infrastructure standards and norms which are to be incorporated into all relevant documents, construction and maintenance guidelines and tools. Furthermore, the project aims at developing and implementing tools and protocols for preventative and mitigation measures for climatic hazard events.

The Road Development Agency (RDA) now invites eligible consultants to indicate their interest in providing these services. Interested consultants must provide information indicating that they are qualified to perform the services (brochures, description of similar assignments, experience in similar conditions, availability of appropriate skills among staff, etc.). Consultants may constitute joint-ventures to enhance their chances of qualification.

Eligibility criteria, establishment of the short-list and the selection procedure shall be in accordance with the Procurement Procedures of the Nordic Development Fund (***NDF: General Procurement Guidelines for Grant Projects 2009***). This document is available on the website of the Nordic Fund at the following website: www.ndf.fi
