ARTICLE II
The Grant
Use of the Grant - Financing of Taxes
Disbursements

2.01 The Fund agrees to grant to the Recipient, on the terms and subject to the conditions set forth or referred to herein, an amount of up to EUR 3800 000.00 (three million eight hundred thousand euros).

2.02 The Recipient shall be entitled to draw down the Grant in accordance with the provisions of this Agreement, for the purpose of paying eligible expenditures incurred in respect of the reasonable cost of goods, works and services required for the Project and to be financed by means of the Grant.

2.03 Unless the Fund shall agree otherwise, no amount of the Grant shall be drawn or be applied, directly or indirectly, on account of expenditures incurred prior to the date of this Agreement.

The use of any of the proceeds of the Grant to pay for Taxes levied by, or in the territory of, the recipient on or in respect of eligible expenditures, or on the importation, manufacture, procurement or supply of goods, works and services for such eligible expenditures, if permitted pursuant to this Agreement, is subject to the Fund's policy of requiring economy and efficiency in the use of the proceeds of its grants. To that end, if the Fund at any time determines that the amount of any such Tax is excessive, or that such Tax is discriminatory or otherwise unreasonable, the Fund may, by notice to the Recipient, adjust the percentage of such expenditures to be financed out of the proceeds of the Grant, as required to ensure consistency with such policy of the Fund.

2.04 Drawdowns shall reflect the implementation of the Project. The proceeds of the Grant shall be paid [in accordance with the Fund's Disbursement Instructions] (i) directly to the Contractor(s), or (ii) to a third party for eligible expenditures under special commitments entered into, in writing, at the Recipient's request and on terms and conditions agreed between the Fund and the Recipient, or (iii) to one or more special accounts opened for the purposes of the Project on terms and conditions acceptable to the Fund.

2.05 Subject to the conditions of disbursement specified in Article III having been, and remaining, fulfilled to the Fund's satisfaction, disbursements under the Grant shall be made upon receipt by the Fund of (i) a disbursement request acceptable to the Fund, duly documented, and submitted by or on behalf of the Recipient, or (ii) in case of special commitment, a payment request submitted by the third party to whom the special commitment was provided by the Fund.

2.06 Each disbursement shall be made on a date determined by the Fund. Unless the Recipient has requested disbursement on a specified later date, disbursement will normally be made not later than 30 calendar days after receipt of the disbursement request, provided that all conditions precedent to disbursement set out in Article III hereof have been fulfilled.

2.07 The Closing Date shall be 31.07.2018, or such later date as the Fund shall establish. The Fund shall promptly inform the Recipient of such later date.

ARTICLE III
Conditions of Disbursement

3.01 Unless otherwise agreed, the making of disbursements from the Grant shall be subject to the conditions precedent that

(a) this Agreement is in full force and effect, and no event, which would entitle the Fund to suspend disbursements under this Agreement, shall have occurred and be continuing;

(b) the Recipient has taken or caused to be taken all action necessary or advisable to enable the Recipient to receive the Grant and to perform its obligations hereunder, including obtaining all required exemptions, consents and permits; and

(c) the Fund has received and accepted

- (i) a legal opinion showing that this Agreement has been duly authorised or ratified by, and executed and delivered on behalf of, the Recipient and is legally binding upon the Recipient in accordance with its terms;
- (ii) if requested by the Fund, further evidence satisfactory to it that the execution and delivery of this Agreement on behalf of the Recipient has been duly authorised by all necessary authorities;
- (iii) evidence satisfactory to it of the authority of the person or persons authorised to sign disbursement requests and the authenticated specimen signature of any such person;
- (iv) evidence satisfactory to it that other financing contemplated for the Project, including financing from the Recipient, has been obtained, and that conditions precedent to the effectiveness of such financing have been met;
- (v) if relevant, certified copies of implementation agreements, acceptable to the Fund, whereby the Recipient makes the Grant available to the Implementing Agencies;
- (vi) if relevant, evidence that Special Account(s) have been opened on terms and conditions satisfactory to the Fund; and
- (vii) any other documentation the Fund reasonably requests relating to the execution of this Agreement or the implementation of the Project

ARTICLE IV
Currency Provisions

4.01 The proceeds of the Grant shall be disbursed in freely convertible currency with reference to EUR in accordance with section 4.02 hereof.

4.02 Whenever it shall be necessary for the purpose of this Agreement to determine the value of one currency or unit of account with reference to another currency or unit of account as of a given date, such value shall be as reasonably determined by the Fund.

ARTICLE V
Co-operation and Information
Recipient's Undertakings and Representations

5.01 The Recipient and the Fund shall co-operate fully to ensure that the purpose of the Grant will be accomplished. To that end, each of them shall furnish to the other party all such information as it shall reasonably request with regard to the general status of the Project.

5.02 (a) The Recipient and the Fund declare their commitment to counteract corrupt practices in relation to the Grant and the execution of the Project. Whenever such corrupt practices are indicated, the Recipient and the Fund shall, at the request of either party, discuss the matter with a view to agree on the form, scope and schedule of investigations and actions and, if applicable, the financing thereof.

(b) The Recipient undertakes to take all necessary action to prevent corrupt practices within its territory and to pursue, by all appropriate means, any such practices whenever identified.

5.03 The Recipient shall promptly inform the Fund of (i) any condition which interferes or threatens to interfere with the accomplishment of the purpose of the Grant (including substantial increase in the cost of the Project), and (ii) any event which with the lapse of time or otherwise would entitle the Fund to suspend disbursements under this Agreement.

5.04 The Recipient recognises that the Fund follows policies similar to other multilateral financial institutions as regards project execution.

ARTICLE VI
Execution of the Project

6.01 The Recipient shall take or cause to be taken all action which shall be necessary to execute the Project with due diligence and efficiency and in conformity with appropriate administrative, financial, engineering, social, environmental and climate change mitigation and adaptation practices. These practices also include transparency in project operations and wide and easy access to public information on the project. In particular, the Recipient shall make available to

the public (i) project related safeguards assessments and plans related to environment, resettlement, and indigenous peoples; (ii) audited annual financial statements for the project; (iii) procurement plans; and (iv) results of procurement procedures.

6.02 (a) The Recipient shall ensure that the proceeds of the Grant shall be used only for the financing of the Project or, as applicable, Project component(s) for which the Grant is extended. Procurement of the goods, works and services required for the Project and to be financed out of the proceeds of the Grant shall be governed by the provisions of Annex 1 to this Agreement as said provisions may be further elaborated in the Procurement Plan.

(b) The Recipient shall prepare a Procurement Plan in accordance with procurement guidelines acceptable to the Fund for a period covering at least 18 initial months of the project execution, and update the Procurement Plan and furnish such update to the Fund for "no objection" not later than 12 months after the date of the preceding Procurement Plan.

(c) The Recipient shall ensure that in respect of procurement of goods, works and services for the Project, invitations to tender as well as procurement contracts shall, respectively, include clauses that gives the Recipient and the buyer the right to (i) demand investigations of the tenderer's/Contractor's books by independent auditors for the purpose of ascertaining whether or not corrupt practices have taken place, (ii) reject any tender and cancel any procurement contract in case any corrupt practices have taken place in connection with the procurement procedure related to the contract or the execution thereof, (iii) claim compensation for the damage or loss arising from any such rejection of tender or cancellation of contract, and (iv) exclude the tenderer/Contractor, either indefinitely or for a certain period of time, from competing for and participating in the execution of contracts in the territory of the Recipient.

6.03 In addition to the proceeds of the Grant the Recipient shall make available or cause to be made available promptly when needed, all other funds that are required for the execution of the Project (including any funds that may be required to meet any increase in cost).

6.04 The Recipient shall insure or cause to be insured, or make adequate provision for the insurance of, the imported goods to be financed out of the proceeds of the Grant against hazards incidental to the acquisition, transportation and delivery thereof to the place of use or installation. Any indemnity for such insurance shall be payable in a freely usable currency to replace or repair such goods.

6.05 The Recipient shall:

(i) maintain records and procedures adequate to record and monitor the progress of the Project (including its cost and the benefits to be derived from it), to identify the goods, works and services financed out of the proceeds of the Grant and to disclose their use in the Project;

(ii) enable the Fund's representatives to visit any facilities and construction sites included in the Project and to examine the goods, works and services financed out of proceeds of the Grant and any plants, installations, sites, works, buildings, property, equipment, records and documents relevant to the performance of the obligations of the Recipient under this Agreement; and

(iii) furnish to the Fund at regular intervals reasonably detailed information concerning the Project, its budgeted and actual cost, the budgeted and actual expenditure of the proceeds of the Grant, and the goods and services financed out of such proceeds. Audited accounts of the use of the Grant for the preceding financial year (July - June) shall be provided not later than six months after the end of financial year each year up to and including Project completion.

6.06 Promptly after completion of the Project, but in any event not later than six months after the Closing Date or such later date as may be agreed for this purpose between the Recipient and the Fund, the Recipient shall prepare and furnish to the Fund a reasonably detailed report on the execution and initial operation of the Project, its cost and the benefits derived and to be derived from it.

ARTICLE VII

Suspension and Cancellation

7.01 If any of the following events of suspension shall have occurred and be continuing, the Fund may, by notice to the Recipient, suspend in whole or in part the right of the Recipient to draw down the Grant:

- (a) The Recipient shall have failed to perform any obligation under this Agreement.
- (b) The Recipient shall have failed to make payment of principal, charges or any other amount due to the Fund under any credit, grant or guarantee agreement between the Recipient and the Fund.
- (c) The Recipient shall have failed to perform any of its obligations (other than payment obligations) under any credit or grant agreement with the Fund which gives the Fund the right to suspend in whole or in part the right of the Recipient to make drawings under such agreement
- (d) As a result of events which have occurred after the date of this Agreement, an extraordinary situation shall have arisen which shall make it improbable that the Project can be carried out or that the Recipient will be able to perform its obligations under this Agreement.
- (e) An extraordinary situation shall have arisen in which any further disbursement by the Fund would exceed its resources available for disbursement.
- (f) A representation made by the Recipient in or pursuant to this Agreement, or any statement furnished in connection therewith, and intended to be relied upon by the Fund in extending the Grant, shall have been incorrect in any material respect.
- (g) (i) (A) The right of the Recipient to draw down the proceeds of any grant or loan made to the Recipient (other than by the Fund) for the financing of the Project shall have been suspended, cancelled or terminated in whole or in part, pursuant to the terms of the agreement providing therefor, or

(B) any such grant shall have become repayable or any such loan shall have become due and payable prior to the agreed maturity thereof.

(ii) Subparagraph (i) of this paragraph shall not apply if the Recipient establishes to the satisfaction of the Fund that (A) such suspension, cancellation, termination or prematuring is not caused by the failure of the Recipient to perform any of its obligations under such agreement; and (B) adequate funds for the Project are available to the Recipient from other sources on terms and conditions consistent with the obligations of the Recipient under this Agreement.

(h) The Fund shall have determined, with respect to any contract to be financed in full or in part out of the proceeds of the Grant, that corrupt, fraudulent, collusive, coercive or obstructive practices, as determined by the Fund, were engaged in by representatives of the Recipient or any beneficiary of the Grant during the procurement of goods and services, consultants' selection or the execution of a contract, without the Recipient having taken timely and appropriate action satisfactory to the Fund to remedy the situation; or the Fund shall have determined that the procurement of any goods or services to be financed out of the proceeds of the Grant is inconsistent with the relevant procedure agreed on between the Recipient and the Fund.

(i) The Recipient has failed to pay any of its external debt to a multilateral financial institution.

(j) Payments to the Recipient are prohibited by a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations.

The right of the Recipient to draw down the Grant shall continue to be suspended in whole or in part, as the case may be, until the event or events which gave rise to such suspension shall have ceased to exist, unless the Fund shall have notified the Recipient that the right to draw down has been restored in whole or in part, as the case may be.

7.02 If (a) the conditions precedent to the first disbursement have not been fulfilled 90 calendar days after the date of this Agreement, or (b) the right of the Recipient to draw down the Grant shall have been suspended for a continuous period of thirty days, or (c) at any time, the Fund determines, after consultation with the Recipient, that an amount of the Grant will not be required to finance the Project's costs to be financed out of the proceeds of the Grant, or (d) at any time the Fund determines, with respect to any contract to be financed in full or in part out of the proceeds of the Grant, that corrupt, fraudulent, collusive, coercive or obstructive practices, as determined by the Fund, were engaged in by representatives of the Recipient or any beneficiary of the Grant during the procurement of goods and services, consultants' selection or the execution of a contract, without the Recipient having taken timely and appropriate action satisfactory to the Fund to remedy the situation; (e) after the Closing Date, an amount of the Grant shall remain undrawn, the Fund may, by notice to the Recipient, terminate the right of the Recipient to draw down the Grant or, as

applicable, the relevant amount of the Grant. Upon the giving of such notice, the Grant or the relevant amount of the Grant, shall be cancelled.

7.03 Notwithstanding any suspension or cancellation, all the provisions of this Agreement shall continue in full force and effect except as specifically provided in this Article.

ARTICLE VIII

Repayment

8.01 The Recipient shall upon the Fund's demand promptly repay to the Fund (or, if applicable and agreed by the Fund, to the Special Account) any amount of the Grant used in a manner inconsistent with the provisions of this Agreement.

8.02 The Recipient shall upon the Fund's demand promptly repay to the Fund any amount of the Grant standing to the credit of a Special Account if the Fund determines, after consultation with the Recipient, that such amount will not be required to finance the Project's costs to be financed out of the proceeds of the Grant.

ARTICLE IX

Enforceability and Arbitration

Failure to Exercise Rights

Waiver of Immunity

9.01 The rights and obligations of the Recipient and the Fund under this Agreement shall be valid and enforceable in accordance with the terms hereof notwithstanding the law of any state or political subdivision thereof to the contrary. Neither the Recipient nor the Fund shall be entitled in any proceeding under this Article to assert any claim that any provision of this Agreement is invalid or unenforceable because of any provision of the Articles of Agreement or the Statutes of the Fund.

9.04 No delay in exercising or omission to exercise any right, power or remedy accruing to any party under this Agreement upon default or otherwise shall impair any such right, power or

remedy or be construed to be a waiver thereof, nor shall any action of such party in respect of any default affect or impair any right, power or remedy of such party in respect of any other or subsequent default.

9.05 The parties hereby expressly waive any right of immunity they might have on the grounds of sovereignty or otherwise in connection with any arbitral proceeding pursuant to section 9.02 hereof or with the enforcement of any award pursuant thereto.
